

UNIT 1 FAMILY AND RELATIONSHIPS

STORY 01: FAMILY

Key Vocabulary

- | | |
|---------------|----------------|
| 1. family | 2. parents |
| 3. sibling | 4. close |
| 5. spend time | 6. have dinner |
| 7. help | 8. busy |
| 9. visit | 10. care about |

My name is Emma. I live in Hangzhou with my husband and our daughter. My parents live in the same city, so we see them every Sunday. We usually have dinner together. My mother makes tomato and egg soup, and my father brings fresh fruit. My daughter likes to sit next to her grandfather and tell him about school.

I have one younger brother. He works in Shenzhen, so we talk on WeChat after work. He is busy during the week, but he visits us during the Spring Festival. We play cards and take photos together. My family is not very big, but we are close. We help each other when life is difficult. I feel happy because my family cares about me, and I care about them too.

Conversation Questions

1. Who lives in your home?
2. When do you usually talk with your family?
3. What food does your family like to eat together?
4. Who in your family helps you most?
5. What do you do with your parents?
6. How do you keep in touch with family members in another city?
7. What is one good memory with your family?
8. What family activity would you like to do this month?
9. How can family members help each other when they are busy?
10. What makes a family feel close?

UNIT 1 FAMILY AND RELATIONSHIPS

STORY 02: MARRIAGE

Key Vocabulary

- | | |
|------------|--------------|
| 1. husband | 2. wife |
| 3. partner | 4. wedding |
| 5. share | 6. plan |
| 7. agree | 8. disagree |
| 9. chores | 10. together |

Liam and his wife, Olivia, have been married for six years. They live in a small apartment near a metro [BrE] / subway [AmE] station in Chengdu. On weekdays, Liam leaves home at eight o'clock, and Olivia starts work at nine. They send messages during the day and have dinner together at home when they can.

They do not agree about everything. Liam likes to save money, but Olivia enjoys eating at new restaurants. They talk about their plans and choose a simple budget together. They also share the housework. Liam washes the dishes, and Olivia does the laundry. On Saturday morning, they clean the apartment and buy food for the week.

Their wedding day was special, but ordinary days are important too. They listen to each other, say sorry after a disagreement, and make time for a walk. Liam says marriage is not perfect. It is two people learning to live and plan together.

Conversation Questions

1. What makes a good partner?
2. How can two people share housework?
3. What do you like to plan with another person?
4. How do couples solve a small disagreement?
5. What is a good way to spend a quiet evening together?
6. How can a couple save money?
7. What household task do you enjoy or dislike?
8. Why is listening important in a relationship?
9. What can people do when they have different hobbies?
10. What does a happy home look like to you?

UNIT 1 FAMILY AND RELATIONSHIPS

STORY 03: PARENTING

Key Vocabulary

- | | |
|--------------|-------------|
| 1. child | 2. parent |
| 3. homework | 4. bedtime |
| 5. patient | 6. listen |
| 7. encourage | 8. rule |
| 9. safe | 10. grow up |

Sophia has a seven-year-old son named Leo. Every weekday, Leo comes home from primary school at five o'clock. He puts his schoolbag by the door, washes his hands, and eats a snack. Then he does his homework at the kitchen table. Sophia sits near him, but she lets him try first.

Leo sometimes feels tired and does not want to read. His mother stays patient. She listens to him and asks, "What is hard today?" Then they read one short page together. Leo feels better when he can choose the next book. His parents have a simple rule: homework comes before games on school nights. After homework, Leo can play a game for thirty minutes.

At bedtime, Sophia and Leo talk about the day. She tells him that mistakes are part of learning. She also teaches him to be kind and safe outside the home. Leo is growing up, so his parents give him more small jobs, such as putting away his toys and feeding the cat.

Conversation Questions

1. What can children do to help at home?
2. How can adults help a child with homework?
3. What is a good bedtime for a school child?
4. How should parents respond to a mistake?
5. What rules are useful at home?
6. How can adults teach children to be safe?
7. What books or games do children enjoy in your family?
8. Why is it important to listen to children?
9. What can a child learn from doing small jobs?
10. How can parents and children spend time together after school?

UNIT 1 FAMILY AND RELATIONSHIPS

STORY 04: FRIENDSHIP

Key Vocabulary

- | | |
|--------------|-------------------|
| 1. friend | 2. classmate |
| 3. colleague | 4. trust |
| 5. invite | 6. reply |
| 7. share | 8. support |
| 9. honest | 10. keep in touch |

Ethan met his best friend, Jack, at university. They were classmates and often studied in the library together. After graduation, Ethan moved to Beijing for work, and Jack stayed in Wuhan. Their cities are far apart, but they keep in touch every week.

On Friday evening, they usually send voice messages. Ethan talks about his new project, and Jack talks about his small coffee shop. Sometimes one friend has a difficult day. The other friend listens and gives simple support. They do not always have the same opinion, but they are honest and respectful.

Last month, Ethan invited Jack to Beijing. Jack took the high-speed train and stayed for three days. They visited a park, tried a new noodle shop, and took a photo near the river. Before Jack went home, they chose a date for their next visit. Good friends do not need to meet every day. They remember each other and make time for each other.

Conversation Questions

1. Where did you meet a close friend?
2. How often do you talk with your friends?
3. What do you like to do with a friend?
4. How can friends support each other?
5. What makes a person easy to trust?
6. How do you keep in touch with a friend in another city?
7. What can you say to a friend after a bad day?
8. How can friends stay close when they are busy?
9. What place would you like to visit with a friend?
10. What is one quality of a good friend?

UNIT 1 FAMILY AND RELATIONSHIPS

STORY 05: LOVE AND DATING

Key Vocabulary

- | | |
|-------------|------------------|
| 1. date | 2. meet |
| 3. message | 4. coffee |
| 5. interest | 6. comfortable |
| 7. nervous | 8. polite |
| 9. listen | 10. relationship |

Mia met Noah through a friend. They first talked on WeChat about cooking and films. After one week, Noah asked Mia to have coffee with him. They met at a quiet cafe near Mia's office after work. Mia felt a little nervous, but Noah was friendly and polite.

They talked about their jobs, their favorite food, and their plans for the weekend. Noah listened when Mia spoke. He did not look at his phone during the conversation. After coffee, they walked to the metro [BrE] / subway [AmE] station. Mia said she had a good time, and Noah asked if they could meet again.

They now see each other once or twice a week. Sometimes they cook at home. Sometimes they go to a park or watch a film. They are still learning about each other. They do not need to hurry. They talk openly and respect each other's time. For Mia, a good relationship starts with honest words and comfortable conversations.

Conversation Questions

1. What is a comfortable place for a first date?
2. What topics are easy to talk about on a first date?
3. Why is listening important when two people meet?
4. What can people do when they feel nervous?
5. How can people show respect on a date?
6. What simple activity can two people enjoy together?
7. What makes a conversation comfortable?
8. How can people learn about each other's interests?
9. Why should people give a new relationship time?
10. What do you look for in a good relationship?

UNIT 2 HOME AND NEIGHBORHOOD

STORY 01: HOMES

Key Vocabulary

- | | |
|---------------------------------|-----------------|
| 1. apartment [AmE] / flat [BrE] | 2. room |
| 3. kitchen | 4. bedroom |
| 5. rent | 6. move in |
| 7. clean | 8. quiet |
| 9. window | 10. comfortable |

Sophia lives in Chengdu and was thinking about homes. One Saturday, Sophia visited a place or joined an activity about homes. Sophia checked the kitchen light and fixed a loose door handle. The landlord answered a message quickly.

The plan was useful, but the first night was noisy. Sophia did not give up. Instead, Sophia asked a question, checked a message, or made a small change. This helped Sophia understand the situation better.

At the end of the day, A quiet home helped Sophia sleep well. Sophia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about homes?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about homes?

UNIT 2 HOME AND NEIGHBORHOOD

STORY 02: NEIGHBORHOODS

Key Vocabulary

- | | |
|-----------------|---------------|
| 1. neighborhood | 2. street |
| 3. shop | 4. market |
| 5. park | 6. safe |
| 7. near | 8. cross |
| 9. walk | 10. community |

Noah lives in Shenzhen and was thinking about neighborhoods. One Saturday, Noah visited a place or joined an activity about neighborhoods. Noah found a fruit shop, a pharmacy, and a small park. An old neighbor showed Noah a short walking path.

The plan was useful, but the busy road was hard to cross. Noah did not give up. Instead, Noah asked a question, checked a message, or made a small change. This helped Noah understand the situation better.

At the end of the day, The area felt easier after one week. Noah learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about neighborhoods?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about neighborhoods?

UNIT 2 HOME AND NEIGHBORHOOD

STORY 03: MUSEUMS

Key Vocabulary

- | | |
|-------------|-----------------|
| 1. museum | 2. ticket |
| 3. painting | 4. history |
| 5. room | 6. guide |
| 7. learn | 8. free |
| 9. visit | 10. interesting |

Emma lives in Shanghai and was thinking about museums. One Saturday, Emma visited a place or joined an activity about museums. Emma looked at old train tickets and city photos. A guide explained a simple story about the city.

The plan was useful, but the English signs were difficult. Emma did not give up. Instead, Emma asked a question, checked a message, or made a small change. This helped Emma understand the situation better.

At the end of the day, A phone photo helped Emma remember new words. Emma learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about museums?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about museums?

UNIT 2 HOME AND NEIGHBORHOOD

STORY 04: PARKS

Key Vocabulary

- | | |
|-------------|-------------|
| 1. park | 2. path |
| 3. tree | 4. bench |
| 5. exercise | 6. run |
| 7. walk | 8. fresh |
| 9. relax | 10. weekend |

Liam lives in Hangzhou and was thinking about parks. One Saturday, Liam visited a place or joined an activity about parks. Liam walked three rounds and stretched near a tree. Liam left their phone in their bag.

The plan was useful, but he wanted to stop after one round. Liam did not give up. Instead, Liam asked a question, checked a message, or made a small change. This helped Liam understand the situation better.

At the end of the day, Fresh air gave him more energy. Liam learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about parks?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about parks?

UNIT 2 HOME AND NEIGHBORHOOD

STORY 05: CAFES AND RESTAURANTS

Key Vocabulary

- | | |
|----------|---------------|
| 1. cafe | 2. restaurant |
| 3. menu | 4. order |
| 5. dish | 6. waiter |
| 7. taste | 8. bill |
| 9. spicy | 10. book |

Olivia lives in Beijing and was thinking about cafes and restaurants. One Saturday, Olivia visited a place or joined an activity about cafes and restaurants. Olivia ordered a small bowl and asked for less spice. The waiter showed Olivia a picture menu.

The plan was useful, but the first dish was too hot. Olivia did not give up. Instead, Olivia asked a question, checked a message, or made a small change. This helped Olivia understand the situation better.

At the end of the day, The second dish was comfortable to eat. Olivia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about cafes and restaurants?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about cafes and restaurants?

UNIT 3 ENTERTAINMENT

STORY 01: MOVIES AND TV SHOWS

Key Vocabulary

- | | |
|--------------|-----------|
| 1. movie | 2. show |
| 3. actor | 4. story |
| 5. funny | 6. watch |
| 7. episode | 8. screen |
| 9. recommend | 10. relax |

Noah lives in Hangzhou and was thinking about movies and TV shows. One Saturday, Noah visited a place or joined an activity about movies and TV shows. Noah chose a short comedy with English subtitles. Noah wrote down three useful phrases.

The plan was useful, but some actors spoke too fast. Noah did not give up. Instead, Noah asked a question, checked a message, or made a small change. This helped Noah understand the situation better.

At the end of the day, The story was easier after one more scene. Noah learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about movies and TV shows?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about movies and TV shows?

UNIT 3 ENTERTAINMENT

STORY 02: BOOKS

Key Vocabulary

- | | |
|------------|--------------|
| 1. book | 2. novel |
| 3. writer | 4. page |
| 5. library | 6. read |
| 7. story | 8. character |
| 9. borrow | 10. favorite |

Emma lives in Shanghai and was thinking about books. One Saturday, Emma visited a place or joined an activity about books. Emma borrowed a short book about cooking. Emma read five pages on the metro.

The plan was useful, but one chapter had many new words. Emma did not give up. Instead, Emma asked a question, checked a message, or made a small change. This helped Emma understand the situation better.

At the end of the day, A small reading habit felt possible. Emma learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about books?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about books?

UNIT 3 ENTERTAINMENT

STORY 03: MUSIC

Key Vocabulary

- | | |
|-----------|---------------|
| 1. music | 2. song |
| 3. singer | 4. concert |
| 5. band | 6. listen |
| 7. dance | 8. headphones |
| 9. quiet | 10. popular |

Liam lives in Shenzhen and was thinking about music. One Saturday, Liam visited a place or joined an activity about music. Liam listened to a local singer and clapped with the audience. Liam sent one song to their sister.

The plan was useful, but the room was very crowded. Liam did not give up. Instead, Liam asked a question, checked a message, or made a small change. This helped Liam understand the situation better.

At the end of the day, The music made the long week feel lighter. Liam learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about music?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about music?

UNIT 3 ENTERTAINMENT

STORY 04: VIDEO AND MOBILE GAMES

Key Vocabulary

- | | |
|-----------|-----------|
| 1. game | 2. phone |
| 3. level | 4. player |
| 5. win | 6. lose |
| 7. screen | 8. team |
| 9. online | 10. time |

Olivia lives in Chengdu and was thinking about video and mobile games. One Saturday, Olivia visited a place or joined an activity about video and mobile games. Olivia played one level with a colleague. Olivia stopped when the timer rang.

The plan was useful, but he wanted to play all night. Olivia did not give up. Instead, Olivia asked a question, checked a message, or made a small change. This helped Olivia understand the situation better.

At the end of the day, A clear time limit made the game fun. Olivia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about video and mobile games?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about video and mobile games?

UNIT 3 ENTERTAINMENT

STORY 05: CHILDHOOD GAMES

Key Vocabulary

- | | |
|--------------|------------|
| 1. childhood | 2. game |
| 3. toy | 4. team |
| 5. play | 6. outside |
| 7. friend | 8. rule |
| 9. laugh | 10. memory |

Sophia lives in Beijing and was thinking about childhood games. One Saturday, Sophia visited a place or joined an activity about childhood games. Sophia played cards and a simple outdoor game. Sophia taught the rules to two new players.

The plan was useful, but one player forgot the rules. Sophia did not give up. Instead, Sophia asked a question, checked a message, or made a small change. This helped Sophia understand the situation better.

At the end of the day, Everyone laughed and played again. Sophia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

| 1. doctor | 2. hospital |
| 3. travel | 4. treatment |
| 5. patient | 6. hotel |
| 7. appointment | 8. care |
| 9. country | 10. health |

Sophia lives in Shanghai and was thinking about medical travel. One Saturday, Sophia visited a place or joined an activity about medical travel. Sophia checked the appointment, train, and hotel details. Sophia kept the medical documents in one folder.

The plan was useful, but the travel plan felt stressful. Sophia did not give up. Instead, Sophia asked a question, checked a message, or made a small change. This helped Sophia understand the situation better.

At the end of the day, A clear list helped the visit go smoothly. Sophia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about medical travel?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about medical travel?

UNIT 9 TRAVELING AND CULTURE

STORY 05: LANDMARKS AND HISTORY

Key Vocabulary

- | | |
|-------------|-------------|
| 1. landmark | 2. old |
| 3. history | 4. building |
| 5. city | 6. visit |
| 7. photo | 8. guide |
| 9. famous | 10. learn |

Noah lives in Beijing and was thinking about landmarks and history. One Saturday, Noah visited a place or joined an activity about landmarks and history. Noah read a short history note before taking photos. Noah asked a guide about the gate.

The plan was useful, but the hot afternoon made the walk slow. Noah did not give up. Instead, Noah asked a question, checked a message, or made a small change. This helped Noah understand the situation better.

At the end of the day, A short rest helped him continue. Noah learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about landmarks and history?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about landmarks and history?

UNIT 10 SCIENCE AND TECHNOLOGY

STORY 01: ARTIFICIAL INTELLIGENCE

Key Vocabulary

- | | |
|---------------|-------------|
| 1. technology | 2. computer |
| 3. AI | 4. answer |
| 5. work | 6. learn |
| 7. tool | 8. write |
| 9. help | 10. careful |

Liam lives in Beijing and was thinking about artificial intelligence. One Saturday, Liam visited a place or joined an activity about artificial intelligence. Liam asked it to make a simple meeting list. Liam checked every answer before sending it.

The plan was useful, but one answer was not correct. Liam did not give up. Instead, Liam asked a question, checked a message, or made a small change. This helped Liam understand the situation better.

At the end of the day, Checking the tool was more important than saving time. Liam learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about artificial intelligence?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about artificial intelligence?

UNIT 10 SCIENCE AND TECHNOLOGY

STORY 02: SPACE EXPLORATION

Key Vocabulary

- | | |
|-----------|------------|
| 1. space | 2. star |
| 3. planet | 4. moon |
| 5. rocket | 6. science |
| 7. study | 8. earth |
| 9. future | 10. dream |

Olivia lives in Beijing and was thinking about space exploration. One Saturday, Olivia visited a place or joined an activity about space exploration. Olivia looked at a model rocket and watched a moon video. Olivia asked why astronauts need special clothes.

The plan was useful, but some science words were new. Olivia did not give up. Instead, Olivia asked a question, checked a message, or made a small change. This helped Olivia understand the situation better.

At the end of the day, The pictures helped their understand. Olivia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about space exploration?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about space exploration?

UNIT 10 SCIENCE AND TECHNOLOGY

STORY 03: CLEAN ENERGY

Key Vocabulary

- | | |
|-----------|------------|
| 1. energy | 2. clean |
| 3. sun | 4. wind |
| 5. power | 6. city |
| 7. save | 8. air |
| 9. change | 10. future |

Sophia lives in Beijing and was thinking about clean energy. One Saturday, Sophia visited a place or joined an activity about clean energy. Sophia learned how solar panels make power. Sophia asked about panels on apartment buildings.

The plan was useful, but the first explanation was difficult. Sophia did not give up. Instead, Sophia asked a question, checked a message, or made a small change. This helped Sophia understand the situation better.

At the end of the day, A simple picture made it clear. Sophia learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about clean energy?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about clean energy?

UNIT 10 SCIENCE AND TECHNOLOGY

STORY 04: ELECTRIC VEHICLES

Key Vocabulary

- | | |
|-------------|------------|
| 1. electric | 2. car |
| 3. battery | 4. charge |
| 5. drive | 6. station |
| 7. bus | 8. quiet |
| 9. cost | 10. travel |

Noah lives in Beijing and was thinking about electric vehicles. One Saturday, Noah visited a place or joined an activity about electric vehicles. Noah checked the battery sign before getting on. Noah talked with the driver about charging.

The plan was useful, but the bus waited at a busy station. Noah did not give up. Instead, Noah asked a question, checked a message, or made a small change. This helped Noah understand the situation better.

At the end of the day, The quiet ride was comfortable. Noah learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about electric vehicles?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about electric vehicles?

UNIT 10 SCIENCE AND TECHNOLOGY

STORY 05: VIRTUAL REALITY

Key Vocabulary

- | | |
|------------|-------------|
| 1. virtual | 2. reality |
| 3. headset | 4. game |
| 5. screen | 6. room |
| 7. learn | 8. real |
| 9. try | 10. careful |

Emma lives in Beijing and was thinking about virtual reality. One Saturday, Emma visited a place or joined an activity about virtual reality. Emma used a headset to visit a museum online. Emma took the headset off after ten minutes.

The plan was useful, but his eyes felt tired. Emma did not give up. Instead, Emma asked a question, checked a message, or made a small change. This helped Emma understand the situation better.

At the end of the day, Short sessions felt better than a long game. Emma learned that a clear plan and one small step can make daily life easier.

Conversation Questions

1. What did the person do on Saturday?
2. What did the person do?
3. What useful detail did the person notice?
4. Who helped or talked with the person?
5. What was difficult about the day?
6. What small change did the person make?
7. What did the person learn about virtual reality?
8. How would you handle the same problem?
9. What part of this story is familiar to you?
10. What would you like to try next about virtual reality?
